

REMARKS

In a March 9, 2004 office action, the Examining Attorney informed that the drawings are objected to as failing to comply with 37 CFR 1.84(p)(5) because they do not include the following reference sign(s) mentioned in the description: Reference 20 is missing in Fig. 1. The Examiner required a proposed or corrected drawing in response to the March 9th office action to avoid abandonment of the application.

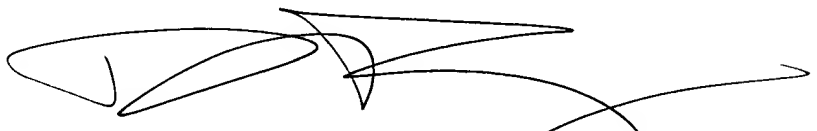

At the Examiner's request, the applicant hereby submits a corrected drawing for FIG. 1. The applicant has amended the drawing to add reference numeral 20. The applicant submits that no new matter has been added by this amendment. The amendment is based on the reference numeral 20 as set forth in the description.

CONCLUSION

Based on the above remarks, the applicant respectfully requests that replacement FIG. 1 be entered in this case.

Please charge Deposit Account No. 13-3571 for any additional fees which may be required.

Respectfully submitted,
